JADDA MOUNIKA SAI SREE

Computer Science Student

+91 79892 56186| ✉■ mounikasaisree15@gmail.com| ■ Andhra Pradesh, India

PROFILE

Computer Science student with a knack for analytical thinking and hands-on experience in both frontend and backend development. Adept at learning new technologies, collaborating in team environments, and applying academic knowledge to real-world challenges. Eager to explore AI and software development to contribute to impactful innovations.

TECHNICAL SKILLS

• Python
• Java
• C / C++
• Data Structures and Algorithms

PROJECT ACHIEVEMENTS

Eventique – Fashion E-Commerce Website

Designed and implemented a fashion-themed online store. Focused on intuitive UI/UX, dynamic content management, and user authentication. The website features modern design elements and functionality tailored for fashion retail.

Women Safety System – AI-based Alert Platform

Developed a safety-focused AI web application that allows women to send alerts in emergencies. Integrated real-time location sharing and voice-activated triggers to enhance user protection. The platform demonstrates the use of AI for social good.

LANGUAGES

• Telugu (Native)
• English (Advanced)

EDUCATION

VIT-AP University – Bachelor's in Computer Science (In Progress)
Sri Chaitanya Junior College – Intermediate Education | 2021–2023
